Stacie has a warming personality and is always professional. She is extremely flexible with her schedule and makes accommodations to support the CYP program. The credit card terminals were recently updated, causing a worldwide outage for CYP billing and auto debit. Stacie handled this exceptionally well and very patiently worked with families to update their direct deposit information to ensure billing was completed appropriately. She openly communicates with families and staff members each day to help answer questions or take care of any concerns. Stacie is organized and ready for anything that comes her way.
