I understand that Military Spouse Preference entitlement may be exercised no more than one time per permanent relocation of the sponsor and it is terminated upon placement into, or declination of, a "continuing position". A position is defined "continuing" when it has a fixed work schedule and no time limitation (this includes full-time and part-time positions and excludes flexible positions). However, upon acceptance of a flexible position with a time limitation, the spouse's eligibility for preference for other flexible positions will be suspended until 60 days prior to the expiration of the temporary flexible position.
