INSTRUCTIONS

Use of Information Statement: To enroll in Free and Reduced-Price School Lunch Program, complete the application and submit with a copy of most current leave/earnings statement (LES) or pay stub (and spouse's, if applicable). The disclosure of the last four of the social security number (SSN) of household member is completely voluntary. However, it is required under the provision of the Richard B. Russell National School Lunch Act before your child may receive free or reduced-price lunch meals. If no SSN last four is available, please list the foreign national identification number from your military-issued ID card. List all members of your household and all your dependent children, including ones who do not attend Department of Defense Dependents Schools. You must include the last four digits of the social security number of the adult household member who signs the application. Your information will be used to determine if your child is eligible for free or reduced price meals. While disclosure of the last 4 digits of a social security number is voluntary, the National School Lunch Act requires the last 4 digits of a social security number or an indication of "none" for approval of the application. Information will be shared with School Food Authority (SFA), Food Service Management Company (FSMC), and DoDEA. Applications submitted without a LES or pay stubs can be accepted but not processed until received.

SECTION I – OFFICE USE ONLY

- Base pay
- Basic allowance for subsistence
- Include if applicable:
 - Support/alimony
 - Retirement/pension

This is a continuation of the policy established through USDA March 12, 2003, memo. Policy Exception-Family Size/Income Determinations. Further, deployed service members continue to be considered members of the household for purposes of determining income eligibility for the Child Nutrition Programs."

SECTION IV: Your signature on the application certifies that all information provided on the application is true and correct.

PROGRAM WORKSHEET (PAGE 3): Completed if there is additional income to report from item IIIa.
