

Ciao Sigonella Families,

My name is Waylend F. Reed and I am your new Youth Sports & Fitness Coordinator for NAS Sigonella, Sicily, Italy. I have a sincere passion for sports and my beautiful wife and three loving children, who are stationed here with me, can attest to that. I previously spent the last 6 years at Naval Station Guantanamo Bay, Cuba, as the YSF Coordinator. There, I was able to create a sustainable, developmental, and fun-filled sports program. I currently hold a Bachelor and Associate degrees in Business Administration and Management from Columbia College. I am also a Marine Corps veteran. I've worked for the U.S. Air Force and U.S. Navy for 22 years as a CYP employee. I have been involved with youth sports since 1996 in the capacity of a volunteer, coach, assignor, and certified contest official. As I said before, sports is my passion and more than a job to me. Your child's development and ability to enjoy the activity in which they participate means everything to me. I look forward to working with the parents and volunteers who serve in our Sigonella community and help accentuate a higher standard for our quality of life. I bring a plethora of knowledge to the NAS Sigonella CYP team and look forward to serving this community!

Grazie mille,

Waylend F. Reed
